System Seating

Benches and cushions

Design by Peter J. Lassen

Elevate your space with the Montana Seating System. Crafted with meticulous attention to detail, these benches redefine the concept of seating by seamlessly integrating storage options such as drawers, cabinets, and shelves beneath the seating surface, as well as planter on the top of the taller modules.

Each bench in this collection is a testament to versatility and utility. Whether placed in an entryway, living room, or bedroom, these multifunctional pieces offer the perfect solution for tidying up clutter while providing comfortable seating for you and your guests.

Whether you prefer the understated elegance of neutral tones or the bold impact of vibrant hues, the Montana Seating System offers endless possibilities for personalization.

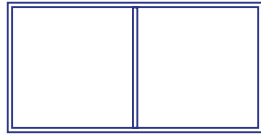

The series is certified with the Danish Indoor Climate label as well as the official EU Ecolabel.
