SSD CHAIR - 2019

The SSD chair was developed with a simple and committed ambition: to design an ideal chair for everyday life while minimising the environmental impact at every stage of its life cycle.

For you, TIPTOE has created this chair for everyday use, with a simple and pure design, slight and stackable, which will fit into all styles of interiors.

CERTIFICATS

The wood in this product comes
from sustainably managed
forests and controlled sources.
